Chairman Phil Mendelson
DC Council
1350 Pennsylvania Avenue, NW
Washington, DC

Dear Chairman Mendelson,

The Dupont Circle Citizens Association and the Foggy Bottom Association are deeply troubled by the allegations and recent news reports concerning the conduct of Ward 2 Councilmember Jack Evans. The integrity of our government is fundamental to our democracy. Given the questions raised regarding CM Evans, we support the appointment of a special committee by the DC Council to investigate the allegations and the Council taking appropriate action based upon the findings of the investigation. Given the seriousness of the allegations, we also urge the Council to remove temporarily CM Evans from the Judiciary Committee and the chairmanship of the Finance and Revenue Committee pending the outcome of the investigation.

Sincerely yours,

Robin Diener, President
